Response:

Miracle Educational Society Group of Institutions has its alumni association which was started in 2013 with the association of 10 members initially, and later it got registered as “Miracle Alumni Association(MAA)”. MES feels proud of its Alumni association which extends its direct and indirect help to the management and to the students through various means, they foster a spirit of loyalty and the general welfare of our college. Our alumni association helps in supporting our organization goals. Majority of the alumni have their foot prints in top notch companies. Alumni meetings are conducted every year, where they discuss the current scenario and thereby help their juniors in catering their needs towards the industry. Amid the Alumni meets, individual department grades are tented up for discussing on improving the current standards to make them at par with the industry requirements. The Alumni is involved primarily as resource persons and employment providers.

Apart from job opportunities they also conduct influential sessions on the strategic methods to meet the necessities of diverse competitive examinations for higher education like IELTS, GMAT, GRE, TOEFL, PGECET, ICET and other job oriented examinations such as RRB, SSC, Public service commissions, etc., Alumni help students in creating awareness about special scholarships and free internships available for different categories of students by government and non-government organizations based on their qualification and skills. The members of the association who already got placed in different organizations assist the ongoing batch students in getting trained and placed.

The main objective of this association is to escalate the career growth of their peers and make their juniors succeed in their desired path. They share their encounters, refresh the current patterns in the market. Association energizes their youngsters by extending rewards to meritorious students.

However, because of the great affinity shared by the college’s teaching and non-teaching staff to students, the young graduates are in consistent touch with the college through different social networking sites.

The college alumni association has its portal/link available in college website for the fresh graduates and post graduates , who have completed their course to get registered in the portal by providing their basic information.

Alumni association has been instrumental in college success and an added feather in the crown of MES.
