

Research & Development Cell

Miracle Educational Society (MES) recognized Research & Development (R&D) Cell is established in 2017 to promote research-based teaching-learning thereby preparing students for successful careers. The activities of R&D Cell include- Development of PhD Research Centres, Faculty & Students Training and Support Programs, Recognition of Research Production, Encouragement of Faculty Collaboration, Balanced Teaching & Research Responsibilities, etc. The R&D Cell is committed to technology-driven collaborations and linking the academic research with teaching curriculum. The R&D team consists of one member from each Department.

OBJECTIVES

- To identify and inform researchers about the appropriate research opportunities.
- To establish MOUs for long term relationships.
- Establish an atmosphere for faculty to engage in cutting edge research by providing required Infrastructure and necessary financial assistance.
- Provide students a platform to indulge in research and development through technology innovation.
- Keep students up to date with latest technology inventions in their field of study through seminars and workshops.
- Equip students to solve social relevant challenges through technology innovation.

ACTIVITIES

- Assists faculty, research scholars and students in filing research proposals for grants from various funding agencies like DST, AICTE, MHRD etc.
- Allocates funds for in-house R & D projects of the faculty, research scholars and students.
- Assists the faculty, research scholars and students in filing of IPRs like patents and copy rights.
- Creating awareness and motivating researchers to work in emerging domains of engineering and technology.
