Whereas the second party, MRCL has established all the curriculum related laboratories and has employed very highly qualified faculty to train the students both in theory and practice with the best administrative and academic management. MRCL has set best objectives to impart quality and high standard education. Internship and practical training are included in the curriculum as mandatory.

[Handwritten signature]

COMMITMENT OF THE FIRST PARTY, CEMS

- A. To train the students of B.Tech. M.Tech. and MCA for various courses as per mutually agreed timings and fees.
- B. To permit them to undergo practical training under the supervision of a person in charge.
- C. To permit them to get hands on training in the available equipment.
- D. To train the Faculty of MRCL at 50% discounted rates indicated at (A) above.
- E. To offer certificates to the programs conducted by CEMS.

COMMITMENT OF THE SECOND PARTY, MRCL

- A. To permit first party to conduct orientation program.
- B. To permit the technical staff / faculty of the first party to MRCL to take the training in theory from the qualified faculty.
- C. To give priority in admissions for the technical staff of the first party to upgrade their qualification subjected to the eligibility and admission criteria.
- D. To take all the initiatives to send only disciplined candidates for taking practical training from the first party.
- E. To allow members of the first party to take training in MRCL depending on mutual convenience of the two parties.
- F. To popularize facilitates of CEMS for students of other than MRCL and to motivate for undergoing internships to make them eligible for employment.
- G. To offer expertise of qualified faculty to the first party in the areas of common interest.

It is important for both parties to this agreement to be reasonable in every aspect of activity undertaken by both parties to achieve common goals. Rates specified will be reviewed every year from January onwards.

It is also important for both parties to respect each other without any conflict and without any legal complications. In the case of unforeseen and unexpected problems arising in any one of the two parties or both parties, it is important to address and settle them by mutual discussion only.

In the event of noncompliance by any one of the parties or both the parties to the agreement, it may be terminated in writing with one month notice from either side amicably without any conflict.

[Handwritten signature in blue ink]

The purpose of the MOU is strictly limited to the expression of the parties to the mutual understanding and cooperation and is not intended to impose any legal obligations of any nature on either party.
