Report on Kiddy bank

MIRACLE EDUCATIONAL SOCIETY GROUP OF INSTITUTIONS, Bhogapuram, has Awareness program on "**Kiddy bank**" on 10.06.2014 in Bhogapuram village. The program was inaugurated by Dr. A.Arjuna Rao, principal, Miracle Educational Society Group Of Institutions, in the mukkam village near by Bhogapuram. Nearly 85 students along with faculty members are participated

The aim of the program was to sensitize to group of students about **Kiddy bank** and awareness program on One rupee-money saving scheme Any scheme that helps you save money or grow your wealth falls under the category of saving scheme. Think of it as a safe deposit box where you can keep aside a part of your income regularly and earn interest. The amount stashed away in this box could be used at a later date to pay for a mortgage, a child's education, marriage or even a medical emergency. There are various such schemes launched by the government of India and public sector financial institutions or banks. These schemes help you save for your retirement or take care of exigencies that could arise in the future. You can choose from a host of short-term and long-term investment schemes depending on your current needs or plans. While some schemes offer lucrative interest rates, others provide tax exemptions or deductions.

In the next phase students have planned to visit the identified villages to create **Awareness Kiddy bank** Many students are willing to participate in the campaign with zeal and enthusiasm.

Report on Road safety

MIRACLE EDUCATIONAL SOCIETY GROUP OF INSTITUTIONS, Bhogapuram, has organized by Awareness program on "Road safety" on 11.07.2014 in Bhogapuram village. The program was inaugurated by Sri. Ch.Trinadha Rao, NSS unit one officer, Miracle Educational Society Group Of Institutions, in the malkam village near by Bhogapuram. Nearly 88 students along with faculty members have participated

The aim of the program was to sensitize to group of students about Road safety refers to the measures which must be adopted by everyone while using roads. These safety methods are meant for reducing the risk of accidents and injuries or causalities on the road. These rules must be followed by all users of roads including pedestrians, cyclists, motorists, and bus and truck drivers. Safety methods also relate to the construction, layout of roads as well as traffic regulation systems. Most of these deaths are in low- and middle-income countries where rapid economic growth has been accompanied by increased motorization and road traffic injuries. Prevention of road traffic accidents thus becomes very crucial in order to improve the longevity and the quality of life of the individuals concerned. The road connecting the Institution from the city is prone to accidents as it has lots of curves and bends.

In the next phase students have planned to visit the identified villages to create Awareness about health. Many students are willing to participate in the campaign with zeal and enthusiasm.

Place of the program: Bhogapuram

Report on Awareness on AIDS

MIRACLE EDUCATIONAL SOCIETY GROUP OF INSTITUTIONS, Bhogapuram, has conducted program on "Awareness on AIDS" on 30.12.2014 in Bhogapuram village.

The aim of the program was to sensitize to group of students about Awareness on AIDS program on Prevention of HIV/AIDS was organized by NSS UNIT -1, The welcome speech was given by T.TRINADHA RAO, Associate professor & NSS Programme Officer, miracle educational society group of institutions, Bhogapuram. He was delivered a lecture among the students and made them aware on HIV/AIDS issues, After the lecture of students took part in an interaction & cleared their misconception eg. 'mosquito bite cannot spread HIV', 'close kiss cannot spread HIV', 'sharing cloths cannot spread HIV' etc. The queries were answered by the speaker. The concluding speech was given by Dr. A. Arjuna Rao, Principal, MES, Bhogapuram. School children of today are exposed to the risk of being victims of HIV/AIDS - which was quite unknown to their predecessors a few decades ago. The epidemic of HIV/AIDS is now progressing at a rapid pace among young people. Studies have reported that young people form a significant segment of those attending sexually transmitted infection (STI) clinics and those infected by HIV.(1) Program managers and policy makers have often recommended that schools can act at the center point for disseminating information and education on HIV/AIDS. Hence school education has been described as a 'social vaccine', and it can serve as a powerful preventive tool. In India, there is a wide gap between the inputs in the HIV/AIDS curriculum for schools and the actual education that is imparted.

In the next phase students have planned to visit the identified villages to create Awareness on AIDS. Many students are willing to participate in the campaign with zeal and enthusiasm.

Report on Career guidelines for 10th class students

MIRACLE NEDUCATIONAL SOCIETY GROUP OF INSTITUTIONS, Bhogapuram, has Awareness program on " Career guidelines for 10th class students" on 16.02.2015 in Munjeru village. The program was inaugurated by Sri. Ch Trinadh Rao, NSS co-ordinator, Dr A Arjuna Rao, Director & Principal, MIRACLE EDUCATIONAL SOCIETY GROUP OF INSTITUTIONS in Munjeru village near by Bhogapuram. Nearly 45 students participated along with faculty members

The aim program was to sensitize to group of students about Career guidelines for 10th class career choice - one of the most important milestones in an individual's life involves self-analysis, critical thinking and finally decision making. The choice of the career is influenced by views of your parents, friends, relatives, teachers and the media. Today with a wider choice and an ever increasing competition, you need to plan your career wisely and at the earliest. While choosing stream after 10th, a training course or a career you should know your abilities, interests, aptitudes and personality. Besides these you should gather information regarding different career options, the eligibility criteria, the premier institutions/universities, and other criteria of selection and the market demands.

The awareness **Career guidelines for 10th class students** program participated in the event co - coordinator , faculty, students. In the next phase the institute identified the villages to create awareness on Career guidelines for 10th class students. Then the students went to the village and created awareness on Career guidelines for 10th class students and the students successfully completed the campaign with zeal and enthusiasm.

Report on Literacy Campaigning

MIRACLE EDUCATIONAL SOCIETY GROUP OF INSTITUTIONS, Bhogapuram, has conducted Awareness program on "Literacy Campaigning" on 06.08.2015 in mukkam village. The program was inaugurated by Dr. A. Arjuna Rao, principal, Miracle Educational Society Group Of Institutions, in the mukkam village near by Bhogapuram. Nearly 118 students along with faculty members have participated.

The aim of the program was to sensitize to group of students about to create awareness on Literacy Campaigning instruction traditionally refers to the teaching of basic literacy skills—reading, writing, listening, and speaking. In today's digital world, however, technology has contributed to an expanded understanding of literacy. Besides this, children of information age also use technology skills for communicating, investigating, computing, accessing and using information, thinking critically about messages inherent in news media and understanding and evaluating data.

As policymakers and educators ponder what to be literate in a digitized society means, most educators today agree that literacy instruction, at the minimum, should include computing skills, identification and usage of audio-visuals in the classroom, assistive technology devices of all kinds, etc. All these tools are needed in preparing teachers for the instructional activities in our public schools.

In the next phase students have planned to visit the identified villages to create Literacy Campaigning many students are willing to participate in the campaign with zeal and enthusiasm.

Report on Career guidelines for 10th class students

MIRACLE EDUCATIONAL SOCIETY GROUP OF INSTITUTIONS, Bhogapuram, has Awareness program on " Career guidelines for 10th class students" on 14.02.2016 in Munjeru village. The program was inaugurated by Sri. Ch Trinadh Rao, NSS co-ordinator, Dr A Arjuna Rao, Director & Principal, MIRACLE EDUCATIONAL SOCIETY GROUP OF INSTITUTIONS in Munjeru village near by Bhogapuram. Nearly 88 students participated along with faculty member.

The aim program was to sensitize to group of students about Career guidelines for 10th class career choice - one of the most important milestones in an individual's life involves self-analysis, critical thinking and finally decision making. The choice of the career is influenced by views of your parents, friends, relatives, teachers and the media. Today with a wider choice and an ever increasing competition, you need to plan your career wisely and at the earliest. While choosing stream after 10th, a training course or a career you should know your abilities, interests, aptitudes and personality. Besides these you should gather information regarding different career options, the eligibility criteria, the premier institutions/universities, and other criteria of selection and the market demands.

The awareness " Career guidelines for 10th class students" program participated in the event co-ordinator, faculty, students. In the next phase the institute identified the villages to create awareness on Career guidelines for 10th class students. Then the students went to the village and created awareness on Career guidelines for 10th class students and the students successfully completed the campaign with zeal and enthusiasm.

Report on Awareness on Literacy

MIRACLE EDUCATIONAL SOCIETY GROUP OF INSTITUTIONS, Bhogapuram, has conducted program on "Awareness on Literacy" on 18.06.2016 in Bhogapuram village. The program was inaugurated by Sri. Ch.Trinadha Rao, NSS unit one officer Miracle Educational Society Group Of Institutions, in the mukkam village near by Bhogapuram. Nearly 66 students along with faculty members have participated

The aim of the program was to sensitize to group of students about Awareness on Literacy instruction traditionally refers to the teaching of basic literacy skills—reading, writing, listening, and speaking. In today's digital world, however, technology has contributed to an expanded understanding of literacy. Besides this, children of information age also use technology skills for communicating, investigating, computing, accessing and using information, thinking critically about messages inherent in news media and understanding and evaluating data.

As policymakers and educators ponder what to be literate in a digitized society means, most educators today agree that literacy instruction, at the minimum, should include computing skills, identification and usage of audio-visuals in the classroom, assistive technology devices of all kinds, etc. All these tools are needed in preparing teachers for the instructional activities in our public schools.

In the next phase students have planned to visit the identified villages to create Awareness on Literacy. many students are willing to participate in the campaign with zeal and enthusiasm.

Name of the program: Awareness on save baby girls

Place of the program: Ramchndrapeta

Report on Awareness on save baby girls

MIRACLE EDUCATIONAL SOCIETY GROUP OF INSTITUTIONS, Bhogapuram, has conducted program on " Awareness save baby girls" on 18.06.2016 in Ramchndrapeta village . The program was inaugurated by Sri. Ch.Trinadha Rao, NSS unit one officer. Dr. A.Arjuna Rao, principal, Miracle Educational Society Group Of Institutions, in the mulkham village near by Bhogapuram. Nearly 45 students along with faculty members have participated.

The aim of the program was to sensitize to group of students about Awareness on save baby girls Discrimination against girls in India has been going on since ages now. Even today, there are several sections of the Indian society where the girl child is treated as a burden. While several privileges are given to the boys. Girls are often restricted to the confines of house and given very little or no opportunities to learn and grow in life. In order to achieve true women empowerment, it is important that we begin with the girl children. This is because girls of today are the women of tomorrow. The role of social welfare organizations is critical here as it is not possible for the government to reach every nook and corner of the country. As the aware citizens, we can support organizations which work for the eradication of female infanticide and women empowerment. Donations to them serve two purposes: driving change in the society and providing tax benefits to the donor. Some yardsticks of women empowerment.

In the next phase students have planned to visit the identified villages to create on save baby girls. many students are willing to participate in the campaign with zeal and enthusiasm.

MIRACLE EDUCATIONAL SOCIETY GROUP OF INSTITUTIONS, Bhogapuram, has organized program on "Awarness on digital money" on 29.08.2016 in Munjeru village. The program was inaugurated by Sri. Ch. Trinadha Rao, NSS unit one officer, Dr. A.Arjuna Rao, principal, Miracle Educational Society Group Of Institutions, in the mukkam village near by Bhogapuram. Nearly 78 students along with faculty members have participated.

In the college auditorium for the promotion and implementation of cashless economy and to train teaching, non teaching, student volunteers of the college. Our Campaign coordinator had explained the importance of Digital payment, advantages of it and upon different various modes of collection and digital payment of product and services through wonderful presentation which covered prepaid cards, Debit /RuPay card, Unstructured Supplementary Service Data (USSD) based Mobile Banking, Mobile E-wallet, Aadhar enabled payment system

The vision of India getting accustomed with cashless economy and the citizens opting for cashless transaction in daily life. There is no alternate of this in near future and People should become more aware of the facts and procedures of applying cashless transactions in day to day life. This Campaign aims to create a strong digital economy and put India in the global map of leading and digitally developed countries. Its main motto is to make the youth and students getting involved in this major transformation that a nation is going through and thereby helping others to adapt the change.

In the next phase students have planned to visit the identified villages to create Awarness on digital money many students are willing to participate in the campaign with zeal and enthusiasm.

Place of the program: Bhogapuram

Report on Awareness on AIDS

MIRACLE EDUCATIONAL SOCIETY GROUP OF INSTITUTIONS, Bhogapuram, has conducted program on " Awareness on AIDS " on 21.12.2016 in Bhogapuram village.

The aim program was to sensitize to group of students about Awareness on AIDS Programme on Prevention of HIV/AIDS was organized by NSS UNIT -1, The welcome speech was given by CH.TRINADHA RAO, Associate professor & NSS Programme Officer, miracle educational society group of institutions, Bhogapuram. He was delivered a lecture among the students and made them aware on HIV/AIDS issues, After the lecture of students took part in an interaction & cleared their misconception eg. 'mosquito bite cannot spread HIV', 'close kiss cannot spread HIV', 'sharing cloths cannot spread HIV' etc. The queries were answered by the speaker. The concluding speech was given by Dr. A. Arjuna Rao, Principal, MES, Bhogapuram. School children of today are exposed to the risk of being victims of HIV/AIDS - which was quite unknown to their predecessors a few decades ago. The epidemic of HIV/AIDS is now progressing at a rapid pace among young people. Studies have reported that young people form a significant segment of those attending sexually transmitted infection (STI) clinics and those infected by HIV.(1) Programme managers and policy makers have often recommended that schools can act at the center point for disseminating information and education on HIV/AIDS. Hence school education has been described as a 'social vaccine', and it can serve as a powerful preventive tool. In India, there is a wide gap between the inputs in the HIV/AIDS curriculum for schools and the actual education that is imparted.

In the next phase students have planned to visit the identified villages to create Awareness on AIDS. many students are willing to participate in the campaign with zeal and enthusiasm.

Report on Green Ganesha Campaign

MIRACLE NEDUCATIONAL SOCIETY GROUP OF INSTITUTIONS, Bhogapuram, has Awareness program on "Green Ganesha Campaign" on 24.08.2017 in Munjeru village. The program was inaugurated by Sri. Ch Trinadh Rao, NSS co-ordinator, Dr A Arjuna Rao, Director & Principal, MIRACLE EDUCATIONAL SOCIETY GROUP OF INSTITUTIONS in Munjeru village near by Bhogapuram. Nearly 45 students participated along with faculty member.

The aim program was to sensitize to group of students about Create awerness on Green Ganesha Campaign Ganesh Chaturthi is one of the major festivals of India. The spectacular eleven day festival honours birth of beloved Lord Ganesha. People install Ganesh idol at home and pandals for worshipping. Due to heavy use of Plaster of Paris for making idols, heavy water pollution occurs after immersion of the Ganesh idols. Also thermocol and plastics used for decoration is not environment friendly. To raise awareness and give motivation for eco-friendly Ganesh Chaturthi celebrations, MIRACLE team took up Green Ganesha campaign.

Report on awareness Water conservation

MIRACLE EDUCATIONAL SOCIETY GROUP OF INSTITUTIONS, Bhogapuram, has conducted Awareness program on "Water conservation" on 09.08.2017 in vijayanagaram. Nearly 88 students participated.

The aim of the program was to sensitize to group of students about Water conservation Department of Civil engineering organized one days Awareness Campaign on Natural Water Conservation, with special emphasis on Rainwater Harvesting, Watershed Management and Water Purification done by miracle students in different schools across the city of vijayanagaram. This program was coordinated by HOD, department of Civil Engineering. The activities of this program were supervised by Dr.A.arjuna rao, Dr.B.srinivasa. Without water, life is not possible on the earth. We totally rely on water for public health and equitable progress. It is essential for food and energy security, and it underpins the functioning of industries. Our faculty Members took the vow and have accepted the challenge to make the people, especially the student community, understand the importance of water conservation. For this purpose, the Students visited ten schools across the city of vijayanagaram. They gave presentation of the different methods of water conservation with special reference to rainwater harvesting, watershed management & water purification. A quiz contest was also conducted in every school relating to different water issues in the schools. The winners of the contest from each school were felicitated in the closing

In the next phase students have planned to visit the identified villages to create awareness Water conservation. many students are willing to participate in the campaign with zeal and enthusiasm.

MIRACLE EDUCATIONAL SOCIETY GROUP OF INSTITUTIONS, Bhogapuram, has conducted program on " **Sanitation and environmental protection** " on 18.03.2018 in Bhogapuram village. The program was inaugurated by Dr.B.srinuvasa rao, Dean academics, Ch.Trinadha Rao, NSSO unit one officer, Miracle Educational Society Group Of Institutions, in the mukkam village near by Bhogapuram. Nearly 66 students along with faculty members have participated.

The objective of the program was to sensitize to group of students about Sanitation and environmental protection. Environmental sanitation envisages promotion of health of the community by providing clean environment and breaking the cycle of disease. It depends on various factors that include hygiene status of the people, types of resources available, innovative and appropriate technologies according to the requirement of the community, socioeconomic development of the country, cultural factors related to environmental sanitation, political commitment, capacity building of the concerned sectors, social factors including behavioral pattern of the community, legislative measures adopted, and others. India is still lagging far behind many countries in the field of environmental sanitation. Prevention of contamination of water in distribution systems,

Growing water scarcity and the potential for water reuse and conservation, Implementing innovative low-cost sanitation system. Providing sustainable water supplies and sanitation for urban and semi urban areas. Reducing disparities within the regions in the country. Sustainability of water and sanitation services. The protection of environment is a pressing issue. Every person, organization and institution has an obligation and duty to protect it. Environmental protection encompasses not only pollution but also sustainable development and conservation of natural resources and the ecosystem. Today, the necessity of environmental awareness and enforcement isomer demanding and urgent than ever before.

In the next phase students have planned to visit the identified villages to create **Sanitation and environmental protection**. many students are willing to participate in the campaign with zeal and enthusiasm.

Report on Education programme

EDUCATIONAL SOCIETY GROUP OF INSTITUTIONS, Bhogapuram, has conducted Awareness program on "Education programme" on 05.07.2018 in Bhogapuram village. The program was inaugurated by Dr.B.srinuvasa rao. Dean academics, Dr. A.Arjuna Rao, principal, Miracle Educational Society Group Of Institutions, in the mukkam village near by Bhogapuram. Nearly 69 students along with faculty members have participated.

The aim of the program was to sensitize to group of students about Education programme Education programme on yoga, health, legal, savings, Agriculture and literacy Values are essential for positive human behaviour. Education from time immemorial has focused on values. Values form the core of educational goals and objectives. Almost every education policy document has emphasized the role of education in fostering values. Education Commission (1966) recommended introduction of social, moral and spiritual values in the school curricula. The National Policy of Education(1986) also highlighted the need of education for values in removing intolerance, violence, superstition and upholding social, cultural and scientific principles to make India a secular, democratic and progressive nation taking pride in its cultural heritage. The National Curriculum Framework for School Education (2000) brought to focus the erosion of ethical, social and spiritual values and suggested the integration of values in the curriculum.

In the next phase students have planned to visit the identified villages to create awareness Education programme. Many students are willing to participate in the campaign with zeal and enthusiasm.

Report on Helmet and Seat belt Launch

MIRACLE EDUCATIONAL SOCIETY GROUP OF INSTITUTIONS, Bhogapuram, has conducted Awareness program on "Helmet and Seat belt Launch" on 14/06/2018 in Bhogapuram village. The program was inaugurated by Dr. B. Vinayasa Rao, Dean academic, Dr. A. Arjuna Rao, principal, Miracle Educational Society Group Of Institutions, in the mukkam village near by Bhogapuram. Nearly 44 students along with faculty members have participated.

The aim of the program was to sensitize to group of students about Helmet and Seat belt Launch. Road safety refers to the measures which must be adopted by everyone while using roads. These safety methods are meant for reducing the risk of accidents and injuries or casualties on the road. These rules must be followed by all users of roads including pedestrians, cyclists, motorists, and bus and truck drivers. Safety methods also relate to the construction, layout of roads as well as traffic regulation systems. More than 1.2 million people die each year on the world's roads. Most of these deaths are in low- and middle-income countries where rapid economic growth has been accompanied by increased motorization and road traffic injuries. Prevention of road traffic accidents thus becomes very crucial in order to improve the longevity and the quality of life of the individuals concerned.

Then the students went to the village and created awareness on Helmet and Seat belt Launch and the students successfully completed the campaign with zeal and enthusiasm. The students demonstrated road safety precautions to the villagers.

Name of the program: **Cracker free Diwali**

Place of the program: Bhogapuram

Report on Cracker free Diwali

EDUCATIONAL SOCIETY GROUP OF INSTITUTIONS, Bhogapuram, has conducted Awareness program on "Cracker free Diwali" on 22.10.2018 in Bhogapuram village. The program was inaugurated by Dr. B. Srinivasa Rao, Dean academics, Dr. A. Arjuna Rao, principal, Miracle Educational Society Group of Institutions, in the mukkans village near by Bhogapuram. Nearly 56 students participated.

The aim of the program was to sensitize to group of students about Cracker free Diwali. Diwali festival is the important festival celebrated all over. This is festival of lights and celebrated with bursting of firecrackers. There is concern over increased noise and air pollution caused due to bursting of the fire crackers during Diwali. Effects of noise pollution on Human Health. Noise pollution is undesirable sound. One measure of noise pollution is the danger it poses to health. Noise causes stress, can be the cause of illness and create annoyance. Therefore, any form of noise can be considered pollution if it causes annoyance, sleeplessness, fright, or any other stress reaction. Noise is transient; once the pollution stops, the environment is free of it. This is not the case for chemicals, sewage, and other pollutants introduced into the air, soil, or water. Other forms of pollution can be measured, and scientists can estimate how much material can be introduced into the environment before harm is done. We can measure individual sounds that may damage human hearing, but it is difficult to monitor cumulative exposure to noise. The response to noise pollution itself is highly subjective. To some people the roar of an engine is satisfying or thrilling; to others it is an annoyance. Loud music may be enjoyable or annoying, depending on the listener and the circumstances.

The Cracker free Diwali awareness program participated in the event co-coordinator, faculty, students. In the next phase the institute identified the villages to create awareness on Cracker free Diwali. Then the students went to the village and created awareness on Cracker free Diwali and the students successfully completed the campaign with zeal and enthusiasm.

Report on awareness programme on saving money

EDUCATIONAL SOCIETY GROUP OF INSTITUTIONS, Bhogapuram, has conducted program on " **awareness programme on saving money** " on 11.03.2018 in Bhogapuram village. The program was inaugurated by Dr B.srinivasa rao, Dean academics, Ch. Trinadhia Rao, NSS unit one officer, Miracle Educational Society Group Of Institutions, in the mukkam village near by Bhogapuram. Nearly students along with faculty members have participated.

The aim program was to sensitize to group of students about awareness programme on saving money. Savings is the portion of income not spent on current expenditures. Because a person does not know what will happen in the future, money should be saved to pay for unexpected events or emergencies. An individual's car may breakdown, their dishwasher could begin to leak, or a medical emergency could occur. Without savings, unexpected events can become large financial burdens. Therefore, savings, helps an individual or family become financially secure.

Money can also be saved to purchase expensive items that are too costly to buy with monthly income. This percentage rate is known as the interest rate. Savings accounts, money market deposit accounts, and Certificate of Deposits are the most common depository institution accounts that earn interest. To successfully practice the pay yourself first strategy a person should set personal goals. Setting goals helps a person choose to save rather than spend money. A goal is defined as the end result of something person intends to acquire, achieve, do, reach, or accomplish. Financial goals are specific objectives to be accomplished through financial planning and include saving money. Setting goals helps an individual identify and focus on items that are most important to them and then make decisions that help obtain those items.

In the next phase students have planned to visit the identified villages to create **awareness programme on saving money**, many students are willing to participate in the campaign with zeal and enthusiasm.

Report on Awareness on cleaning the surroundings

MIRACLE EDUCATIONAL SOCIETY GROUP OF INSTITUTIONS, Bhogapuram, has Awareness program on "cleaning the surroundings" on 25.04.2019 in MES. The program was inaugurated by Dr. B. Srinivasa rao, Dean academics, Dr. A. Arjuna Rao, principal, Miracle Educational Society Group Of Institutions, in the mukkam village near by Bhogapuram. Nearly 113 students along with faculty members have participated.

The National Service Scheme (NSS) of MES involves in various activities towards the "cleaning the surroundings" In order to keep the campus clean, students and staffs of the MES are actively involved in Swatch Bharat activities, plantation, creating awareness on waste disposal (degradable and non-degradable), ground water harvesting, etc. We ensure the cleanliness of, not only the surroundings, but also the class rooms, library, laboratories and auditorium. We also invite locally available eminent speakers to interact with our student volunteers on their current interests. Very recently, as a part of the cleanliness drive,

A signature campaign was also organized to create an awareness on keeping the campus clean and green. Further to the inaugural event, a seminar was conducted on "Awareness on Green Environment". More than 113 students and volunteers engaged themselves in various activities including cleaning the surroundings of library building, hostel buildings, department buildings and administrative building. Apart from these, students were involved in removal of mesquite trees from the MES campus and planting saplings in both hostels and college campuses. Awareness programmes and competitions were also conducted for students to bring about visible changes in the surroundings and to efficiently deal with waste disposal.

In the next phase students have planned to visit the identified villages to create : Awareness on cleaning the surroundings. Many students are willing to participate in the campaign with zeal and enthusiasm.

Report on Making clean environment

MIRACLE EDUCATIONAL SOCIETY GROUP OF INSTITUTIONS, Bhogapuram, has conducted Awareness program on "Making clean environment" on 16.05.2019 in mukkam village . The program was inaugurated by Dr.B.srinuvasa rao, Dean academics, Dr. A.Arjuna Rao, principal, Miracle Educational Society Group Of Institutions, in the mukkam village near by Bhogapuram, Nearly 86 students participated.

The aim program was to sensitize to group of students about Making clean environment by providing oxygen, improving air quality, climate amelioration, conserving water, preserving soil, and supporting wildlife during the process of photosynthesis, trees take in carbon dioxide and produce the oxygen we breathe. Tree-Planting is the process of transplanting tree seedlings, generally for forestry, land reclamation, or landscaping purpose. It differs from the transplantation of larger trees in arboriculture, and from the lower cost but slower and less reliable destitution of tree seeds. We need them for oxygen and good improve our environment. They cause rainfall and protect water recourses under the ground.

The Making clean environment awareness program participated in the event co -coordinator , faculty, students. In the next phase the institute identified the villages to create awareness on Making clean environment. Then the students went to the village and created awareness on Making clean environment and the students successfully completed the campaign with zeal and enthusiasm.
