Name of the program : AIDS Awareness Drive

Place of the program: Bhogapuram

REPORT ABOUT THE PROGRAM

MIRACLE EDUCATIONAL SOCIETY GROUP OF INSTITUTIONS, Bhogapuram, has conducted program "AIDS Awareness Drive" on 04.11.2015 in the village of Bhogapuram. The program was inaugurated by Sri. Ch.Trinadha Rao, NSSO unit one officer, Dr.A.Arjuna Rao, principal, Miracle Educational Society Group Of Institutions, in the mukkam village near by Bhogapuram. Nearly 105 students along with faculty members have participated.

The aim of this program is to awareness there were however some students who exhibited limited knowledge on some issues including the spiritual causes and treatment of HIV/AIDS, contacts and associations with infected persons, as well as determination of HIV infection from appearances rather than testing. among other things, to enhance the knowledge and awareness on the nature, causes, effects and means of managing the spread of HIV/AIDS among populations at risk in rural area. Through the efforts of these bodies and other stakeholders in health, several awareness creation and sensitization efforts have been targeted at teenage girls, a high risk group in NH16. The program also raised important concerns about the reluctance of senior girls to use condoms as a preventive measure and the need to reorient HIV/AIDS awareness interventions in NH16. The students were felt very happy for they participated in social service events and they asked to conduct this type of events many more in future.

REPORT ABOUT THE PROGRAM

MIRACLE EDUCATIONAL SOCIETY GROUP OF INSTITUTIONS, Bhogapuram, has conducted Awareness program on Literacy Campaigning on 06.12.2015 in the village of Bhogapuram. The program is inaugurated by Sri. Ch.Trinadha Rao, NSSO unit one officer and Dr.A.Arjuna Rao, principal, Miracle Educational Society Group Of Institutions, in the mukkam village near by Bhogapuram. Nearly 109 students along with faculty members are participated.

The aim of this awareness program on Literacy is traditionally understood as the ability to read, write, and use arithmetic. The modern term's meaning has been expanded to include the ability to use language, numbers, images, computers, and other basic means to understand, communicate, gain useful knowledge and use the dominant symbol systems of a culture. The students were felt very happy for they participated in social service events and they asked to conduct this type of events many more in future.

Name of the program: Waste management

Place of the program: Bhogavaram

Report on Waste management

MIRACLE EDUCATIONAL SOCIETY GROUP OF INSTITUTIONS, Bhogavaram, has conducted Awareness program on "Waste management" on 07-12-2015 in Bhogavaram village. The program was inaugurated by In. B. Srinivasa Rao, Dean academics, Dr. A. Arjuna Rao, principal, Miracle Educational Society Group of Institutions, in the makkam village near by Bhogavaram. Nearly 30 students along with faculty members have participated.

The aim program was to sensitize for future and suggest about Waste management. Human activities always generate waste. This was not a major issue when the human population was relatively small and nomadic, but became a serious problem with urbanization and the growth of large communities. Poor management of waste led to contamination of water, soil and atmosphere and the impact on public health. The characteristics of waste material evolved in line with changes in lifestyle and the number of new chemical substances present in the waste. Waste streams increased dramatically. The long-term health effects of exposure to substances present in the waste or products of waste disposal facilities are most difficult to measure, especially when their concentrations are low and when there are other exposure pathways (e.g. food, soil). Waste management and disposal is an alarming problem encountered by many of the urban and industrial areas in developing economies in Asian countries. Waste generation has witnessed an increasing trend parallel to the development of industrialization, urbanization, and rapid growth of population. The problem has become one of the priority urban environmental issues. Sometimes it is hard to reduce its volume and to minimize attraction of animals and also to retrieve recyclable items. Despite the degradation of valuable land resources and creation of long-term environmental and human health problems, uncontrolled open dumping is still prevalent in most developing countries which indeed desperately need an immediate action due to the associated harmful.

In the next phase students have planned to visit the identified villages to create awareness on Waste management, many students are willing to participate in the campaign with zeal and enthusiasm.

Name of the program : "Agriculture Issues to farmers.

Place of the program: MUNJERU

REPORT ABOUT THE PROGRAM

MIRACLE EDUCATIONAL SOCIETY GROUP OF INSTITUTIONS, Bhogapuram, has initiative program on "Agriculture issues to farmers." on 05.07.2016 in the village of munjeru. The program was inaugurated by Sri. Ch. Trinadha Rao, NSS unit one officer, Miracle Educational Society Group Of Institutions, in the mukkam village near by Bhogapuram. Nearly 77 students along with faculty members have participated.

The aim of this program Sub-division and fragmentation of the holdings is one of the main causes of our low agricultural productivity and backward state of our agriculture. A lot of time and labour is wasted in moving seeds, manure, implements and cattle from one piece of land to another. Irrigation becomes difficult on such small and fragmented fields. Further, a lot of fertile agricultural land is wasted in providing boundaries. Under such circumstances, the farmer cannot concentrate on improvement.

The only answer to this tedious problem is the consolidation of holdings which means the reallocation of holdings which are fragmented, the creation of farms which comprise only one or a few parcels in place of multitude of patches formerly in the possession of each peasant. The students were felt very happy for they participated in social service events and they asked to conduct this type of events many more in future.

Name of the program : Technical Skill development workshop

Place of the program: Bhogapuram

REPORT ABOUT THE PROGRAM

MIRACLE EDUCATIONAL SOCIETY GROUP OF INSTITUTIONS, Bhogapuram, has conducted program on **Technical Skill development workshop** on 07.12.2018 in the village of Bhogapuram. The program was inaugurated by Sri. Ch.Trinadha Rao, NSS unit one officer, Dr. Arjuna Rao, principal, Miracle Educational Society Group Of Institutions, in the mukkam village near by Bhogapuram. Nearly 120 students along with faculty members have participated.

The main objective to the program technical enhancement for unemployment youth. The union budget paved way for the launch of a much-awaited National Skill Mission and Start up India – Stand up India Policy from January 2016 onwards to complement Prime Minister's 'Skill India'. In today's most competitive business environment, the quality of the youngsters in terms of their employability is one of the key challenging puzzles faced by India. Markets and industry need to play a large role in determining courses, curriculum, with skill development in focus. Education is regarded as a key enabler of empowerment in any nation. Education develops a person individually, socially and economically. The engine of social growth is driven by these kinds of transformations. Generating employable human power is the purpose of education. India has both educated and uneducated, skilled and unskilled unemployed group in both urban and rural areas.

The students were felt very happy for they participated in social service events and they asked to conduct this type of events many more in future.
