BACKGROUND & INITIATIVES:

Miracle Software Systems (MSS) is a Global MNC Software Development Company founded in 1994 with headquarters in Michigan, USA and with global presence in India, UK, Mexico, Canada, Australia, Germany, Switzerland and Singapore is our Industry Partners.

MES institutions have made it to the pinnacle of the educational arena in an extremely short span of time in the field of technical education, churning out engineers equipped to meet the challenges of dynamically changing industry. High academic standards, strict internal evaluation, technically sound faculty and the pulsating student community.

It is situated in the lap of nature in about 400 acres in the Software Technology Park away from the hustle and bustle of the city, the campus is the best of infrastructure for optimal learning with innovative research capabilities and exemplary professional conduct.

The pass percentage has been consistently around 75% right from the inception of the college with some university ranks. The placement record for the previous three years has been laudable about 70% of eligible candidates get placed in various campus recruitment drives.
